Pozdravljeni!

V četrtek 23.10. ob 17. uri bo na IJS organizirana delavnica na kateri bomo prikazali uporabo programa Sony Movie Studio 13 za potrebe 3D editiranja. Poseben poudarek bo na ohranjanju najvišje možne kakovosti posnetkov ter na obdelavi posnetkov iz JVC kamer.

On Thursday, 23.10. at 17h, there will be a workshop on Sony Movie Studio 13 for 3D editing. The emphasis will be on retaining the highest possible video quality and on transformation of clips obtained on some cameras, e.g. JVC.
