---

Pozdravljeni!

Sestanek Društva bo v ponedeljek, 2. februarja ob 18. uri. Na začetku sestanka si bomo ogledali način ročnega popravljanja objektov na slikah, ki nas motijo (ponavadi objekti, ki so preblizu fotoaparata), dodajanje besedila slikam in prilagajanje stereoskopskega okna (v primeru, če imamo nekaj objektov, ki so preblizu fotoaparata).

*Next Society meeting will be on 2. February 2009 at 18h. In the first part of the meeting we'll learn how to correct some objects on the pictures which are not synchronised or are too close to the camera. Besides that we'll add stereoscopic text to 2D pictures and learn how to make "floating windows".*
